Summary:	Address on letterhead of amendment request lists street address, however license lists post office box as mailing address. I checked the Sentara website, which lists street address as mailing address. I called Roy, the designated contact person, and asked if the licensee wishes to use the street address as mailing address or to continue to use the post office box address. Roy checked with the licensee and confirmed they wish to retain the post office box as the mailing address for this license.
