Mr. Robin DeLaBarre
U.S. Department of State
2201 C Street, NW
Office of Nuclear Energy Affairs, Room 3318
Bureau of International Security and Nonproliferation
Washington, D.C. 20520

Dear Mr. DeLaBarre:

Enclosed is an application from CERAC, Inc. dated July 11, 2007, recently received by the U.S. Nuclear Regulatory Commission, requesting Amendment No. 01 to export license XSOU8783 for the export of 2,300.0 kilograms thorium contained in 3,000.0 kilograms of thorium fluoride in granular form, for use in thin film optical coatings. The purpose of the amendment is to: 1) extend the expiration date from December 31, 2007 to January 1, 2018; and 2) change the ultimate consignee's address from II-VI Singapore PTE Ltd., BLK 5012, Ang Mo Kio Avenue, Singapore to II-VI Singapore Pte, Ltd., Blk 5012, Tech Plate II, #40-07, Ang Mo Kio Ave 5, Singapore 569876. All other conditions remain the same.

Since no other changes to the terms and conditions of the existing license are requested, we intend to issue this minor amendment after the 30-day time period allotted for public review expires and it is determined that applicable export license criteria are met.

Sincerely,

/RA/

Janice E. Owens, Acting Branch Chief
Export Controls and International Organizations
Office of International Programs
