We are seeking the dates and job site locations where Quantum used radioactive materials in **Puerto Rico, Virginia, Virgin Islands and West Virginia** during the above referenced time period. If available, copies of the reciprocity requests are preferred. The requested records can either be mailed to my attention at the above letterhead address or faxed to my attention at 281-291-7709. I can be contacted at 281-291-7769, if additional information is required to act on this request.
