Subject: RE: Perfexion Training

Hello,

I can confirm that the Leksell Gamma Knife Perfexion System Start Training in Stockholm, Sweden, January 18-19, 2007 included also emergency and safety procedures. Emergency and safety procedures were part of the session "Demonstration of Perfexion" on January 18 and "Leksell Gamma Knife Perfexion Hands-on" on January 19.

Should you need any more information please let me know.

Josef,

The course outline for the System Start Training you received for the Gamma Knife Perfexion does not list instruction on the emergency and safety procedures. The NRC would like confirmation that this training course included these topics. Please respond to Sandy Gabriel, Ph.D. at the NRC confirming that this training included emergency and safety procedures for the Perfexion. Thank you.
