Re: Request Addition of Authorized User

Dear Reviewer:

Enclosed is an ABR certificate issued prior to the rule change and the period of time where the ABR was not recognized by the NRC as a certified entity for deeming a physician to be eligible to become an authorized user. The training has occurred during the previous seven (7) years. We are requesting that Dr. Faler be added to our license as an authorized user. No other changes are requested at this time

Thank you for your prompt attention to this amendment.

Sincerely,
