Christina,

I'm forwarding the e-mail from Pam Zgutowicz that provided me with information on Columbia County School statistics (she didn't include a message in the e-mail - just an attached spreadsheet). I also asked Bev Miller and Mike Sackschewsky about the hearing files and whether or not they will have ADAMS numbers. Their responses are below, FYI:

Katie - if they have still not found the e-mails at HQ, then resend them to Christina now so that she can get it into ADAMS - even if it has been entered once, if they can't find it, it isn't doing anyone any good. As for the pwersonal communication - it sounds like it is up to Dan to figure out how to best document the conversation.

Mike

We sent the "hearing file update emails" on to Sue Gulley to batch and send to Mark Notich for the "hearing file", but emails that were sent as specific references we sent to Laura to get an ADAMS number for to use in the document. I'm guessing we didn't realize you were planning to use it for a reference and sent it on to Sue for batching. If Mark batched the hearing file items and put them in ADAMS, perhaps we can use that number, otherwise, we may need to send those emails separately to Christina or Laura to get an ADAMS number for them directly.
