SUBJECT: RESPONSE TO 14 DAY NOTIFICATION
NRC LICENSE NO. 42-27787-01

By letter July 25, 2007, Mr. Joel Cehn, Radiation Safety Officer, with PIKA International, Inc., provided the required 14-day notification to this office of decommissioning activities scheduled to be conducted under the subject license at Anniston Army Depot, Anniston, Alabama. The NRC understands that all decontamination activities will be performed under the subject license. Your notification is considered timely submitted and no further actions are required. If you have any questions, please contact me at 817-276-6552.

The NRC has also received your letter dated July 3, 2007, stating that the licensed activities at the Corpus Christi Army Depot have been completed under your license. The activities conducted under your license at the facility, were noticed to our office on April 11, 2007. Thank you for your notification that this project is now complete.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at:
