Linnea,

Thank you for including Battelle in the review and comment of the meeting minutes. Please find attached two files documenting meeting minutes and a highlight report (2 pages) from the meeting between Battelle and the OEPA DDAGW on June 29, 2007.

Battelle is requesting that the highlight report be used as the official record for distribution to attendees and the NRC. The highlight report provides a clear summary of Battelle's position concerning groundwater and radioanalytical data concerns raised by the OEPA DDAGW. I have also updated the meeting minutes for internal OEPA record.

Please let me know if you have any questions or comments concerning the meeting minutes and/or highlights.

Thanks,
Gretchen Farnung, CHP
