Response to Questions Regarding the S-RELAP5 Input Deck for the U.S. EPR

Ref. 1: Letter, Ronnie L. Gardner (AREVA NP Inc.) to Document Control Desk (NRC),
"Response to a Request from the NRC for an S-RELAP5 Input Deck for the U.S. EPR,"
NRC:06:063, December 21, 2006.

AREVA NP Inc. (AREVA NP) provided the NRC an S-RELAP5 deck for the U.S. EPR in Reference 1. The S-RELAP5 input deck was discussed in a telephone call on June 21, 2007. Three questions about the input deck were provided in an email from the NRC (Getachew Tesfaye) on June 22, 2007. The responses to these questions are provided in the attachment to this letter.

AREVA NP considers the information on the enclosure to this letter to be proprietary in its entirety and thus no non-proprietary version is provided. The affidavit provided with this letter satisfies the requirements of 10 CFR 2.390(b) to support the withholding of the proprietary information from public disclosure.

If you have any questions related to this letter, please contact Ms. Sandra M. Sloan, Regulatory Affairs Manager for New Plants Deployment. She may be reached by telephone at 434-832-2369 or by e-mail at sandra.sloan@areva.com.

Sincerely,

A handwritten signature in cursive script that reads "Ronnie L. Gardner".

requested qualifies under 10 CFR 2.390(a)(4) "Trade secrets and commercial or financial information".

6. The following criteria are customarily applied by AREVA NP to determine whether information should be classified as proprietary:

- (a) The information reveals details of AREVA NP's research and development plans and programs or their results.
- (b) Use of the information by a competitor would permit the competitor to significantly reduce its expenditures, in time or resources, to design, produce, or market a similar product or service.
- (c) The information includes test data or analytical techniques concerning a process, methodology, or component, the application of which results in a competitive advantage for AREVA NP.
- (d) The information reveals certain distinguishing aspects of a process, methodology, or component, the exclusive use of which provides a competitive advantage for AREVA NP in product optimization or marketability.
- (e) The information is vital to a competitive advantage held by AREVA NP, would be helpful to competitors to AREVA NP, and would likely cause substantial harm to the competitive position of AREVA NP.

The information in the Document is considered proprietary for the reasons set forth in paragraphs 6(b) and 6(d) above.

7. In accordance with AREVA NP's policies governing the protection and control of information, proprietary information contained in this Document have been made available, on a limited basis, to others outside AREVA NP only as required and under suitable agreement providing for nondisclosure and limited use of the information.

8. AREVA NP policy requires that proprietary information be kept in a secured file or area and distributed on a need-to-know basis.

9. The foregoing statements are true and correct to the best of my knowledge, information, and belief.
