Gentlemen:

This responds to your June 6, 1983 request for an exemption from fees for License SNM-750, as supplemented by your June 28, 1983 letter to Allen Cabell, of this office. Based on the information in your letters, we understand that the U-235, as contained in optical maser crystals, will remain in storage as part of a scientific/educational collection.

Pursuant to Section 170.11(b) of 10 CFR 170, an exemption from license fees is hereby granted for License SNM-750, having determined that such an exemption is authorized by law and is otherwise in the public interest.

Sincerely,

Original Signed by
Wm. O. Miller
