Subject: Amendment Request for New RSO

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: Schmidt called Schnabel to get additional information regarding the licensee's request to change the RSO (licensee letter dated August 17, 2007) and he was informed that Jackie Riggs, the license listed RSO, is no longer employed by Schnabel (employment terminated on August 20, 2007). Schmidt explained to Mr. Hale that the information included with the amendment request indicated that the proposed new RSO, Scott Faber, did not have the RSO training required by 10 CFR 34. Mr. Hale stated that either he or Scott Faber would get back to Schmidt immediately to address this issue.
