Desc: All records and information pursuant to the development of 10 CFR 20.2003(a)(4); the total quantity limits for discharge to the sanitary sewer. Requested records include, but are not limited to, the technical basis, statements of consideration, questions and answers during the rule-making process, data to support the limits accumulated prior or subsequent to the rules effective date(s), and any and all other related information. Please also consider this request to include the basis of outdated regulations, such as 20.303, prior to the existence of 20.2003, to the extent those regulations incorporated total quantity limits for discharges to the sanitary sewer.

No information is requested pursuant to other sub-paragraph of the rule. For example, no information is requested relative to 20.2003(a)(1) solubility, (a)(2) concentration limits, (a)(3) the unity rule, or (b) excreta exemption.
