Ms. Jacqueline D. Cook:

This email from Ur-Energy USA, Inc (URE) to the U.S. Nuclear Regulatory Commission (NRC) has an attached submittal that addresses a clarification of our New License Application, based on the August 16, 2007 pre-license inspection conducted by Mr. Anthony D. Gaines, Senior Health Physicist with the NRC.

Please review the attached document and call me at 720-832-4455 if you have any questions regarding this submitted clarification.

Again, Ur-Energy appreciates both your and Mr. Anthony Gaines' efforts in helping in the approval of our license application.

Regards!

Philip N. Cavendor
