Subject: Additional info needed for request

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I contacted the current RSO to get additional information on the amendment request dated July 25, 2007. The information needed includes:

1. Evidence of training and experience for the proposed RSO.
2. Clarify whether the request to add additional people to be authorized for ordering radiopharmaceuticals means to add them to the license as authorized users. If, so they too will need to submit evidence of training and experience.
3. Should Phyllis Baker remain on the license as an authorized user.

Ms. Baker state that she would consult with Dr. Furlong (practice owner) and fax the responses.
