Mr. Richard Samuelson, Chair  
Goodhue County Board of Commissioners  
Goodhue County Government Center  
509 W. 5<sup>th</sup> Street  
Red Wing, MN 55066

Dear Mr. Samuelson:

SUBJECT: LOCAL OUTREACH INITIATIVE

The U.S. Nuclear Regulatory Commission (NRC) is responsible for regulation of the Prairie Island nuclear power plant located within Goodhue County. This year, we are beginning an outreach initiative to meet with county government officials, mayors, and tribal representatives local to the 16 nuclear power plants that we regulate within Region III. We plan to explain NRC's role and mission, and establish a point of contact in the event you have questions regarding NRC activities in the future. We would also like to tell you about our resident inspector program, security enhancements and other outreach activities that the NRC is conducting that may involve members of the public around the plant.

I would like to meet with you at your office for a brief, informational meeting and plan on contacting you in the next several weeks to establish a date and time. In the meantime, please contact me at (630) 829-9659, or via email at [sam9@nrc.gov](mailto:sam9@nrc.gov), if you have any questions.

Thank you.

Sincerely,
