SUBJECT: JOHNSON & JOHNSON STERILIZATION SCIENCE & TECHNOLOGY,  
REQUEST FOR ADDITIONAL INFORMATION CONCERNING FINANCIAL  
ASSURANCE DOCUMENTS, CONTROL NO. 140449

Dear Mr. Liu:

This is in reference to the Parent Company Guarantee included in a letter dated August 1, 2007 providing financial assurance for decommissioning for Nuclear Regulatory Commission License No. 29-00206-07. In order to continue our review, we need the following additional information:

1. Because the required amount of financial assurance has changed, a new Certification of Financial Assurance needs to be submitted. Please closely follow the model on page A-23 of NUREG-1757 Volume 3, "Consolidated NMSS Decommissioning Guidance, Financial Assurance, Recordkeeping, and Timeliness."
2. A Chief Executive Officer's letter has not been received to support the Parent Company Guarantee as stated in NUREG-1757 Volume 3. The Chief Executive Officer (CEO) letter (Section A.13.4) is a letter from the CEO of the licensee that (1) certifies that the licensee is a going concern, (2) identifies the amount of the licensee's tangible net worth, (3) specifies whether the licensee is required to file a Form 10-K with the U.S. Securities and Exchange Commission, and (4) states the date on which the licensee's fiscal year ends. Please submit a Chief Executive Officer's letter. Please follow closely the model shown on page A-115 of NUREG-1757, Volume 3.

Current NRC regulations and guidance are included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Regulations, Guidance, and Communications**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 8:00 p.m. EST, Monday through Friday (except Federal holidays).
