MOTION FOR CLARIFICATION AND EXTENSION OF TIME

CASE NO. 07-9505

MOTION FOR CLARIFICATION AND EXTENSION OF TIME

Pursuant to Rule 27 of the Federal Rules of Appellate Procedure and Local Rule 27.4, Hydro Resources, Inc. (HRI), by its undersigned counsel of record, hereby submits this Motion for Clarification and Extension of Time in the above-captioned matter. HRI is aware that the United States and the United States Nuclear Regulatory Commission (hereinafter the "Federal Respondents") requested and received a thirty (30) day time extension for the filing of their principal brief. Since the Rules are silent as to when Intervenor parties must file, HRI hereby requests that this Court clarify when HRI's brief in this matter should be filed. In the event that the Court determines that HRI must file its brief at a time earlier than the Federal Respondents, HRI hereby requests that the Court permit it to file its brief on the same date as the Federal Respondents. HRI has consulted with both principal parties and both such parties consent to the extension request.

Dated this 24th day of July

Respectfully submitted,

Anthony J. Thompson, E.q. Christopher S. Pugsley, Esq. Thompson & Simmons PLLC 1225 19th Street, NW Suite 300 Washington, DC 20036 (202) 496-0780 (fax) (202) 496-0783 ajthompson@athompsonlaw.com cpugsley@athompsonlaw.com
