Please use [this number for the](#) 10 am (EDT) call Monday:

**877-807-4596** and the **participant code: 848157**

## **User Instructions**

- \* When you are ready to make a conference call, just notify your participants of the dial-in number, participant access code, date and time of the conference call.
- \* If a participant calls in before you, he/she will hear music until you, the host, join the call.
- \* Dial into your Reservationless bridge telephone number, enter the host access code, and begin your conference.
- \* For security measures, the conference call starts when you join the call and ends when you leave the call unless the conference continuation feature is employed.

## **Menu Options for Host/Controller**

### **Primary Menu**

- # 0 Access the menu options / # Rejoin the conference
- 1 Listen / talk - mutes individual line (toggle on & off)
- 2 Conference count - number of participants on the conference
- 3 Disable entry / exit tones (toggle on & off)
- 4 Start and end host facilitated Question and Answer session  
(Available only if the conference is in broadcast mode)
- 6 Host dial out to add a participant
- 7 Interactive / broadcast - for the entire conference (toggle on & off)
- 8 More menu options
- 9 Replay current menu options

### **Secondary Menu**

- 0 Host assistance
- 1 Conference lock (toggle on & off)
- 2 Conference continuation (toggle on & off)  
Reservationless service only
- 7 Return to previous menu
- 9 Replay current menu options

## **Menu Options for Participants**

- # 0 Access the menu options / # Rejoin the conference
- 0 Participant assistance
- 1 Listen / talk - mutes individual line (toggle on & off)
- 2 Conference count - number of participants on the conference
- 9 Replay Menu Options

\*Note: If all ports are being used, you will hear a message to try your call again later.
