Dear Chairman Klein:

It was a pleasure to know that you were the honorable guest in the TECRO-AIT Joint Standing Committee Annual Meeting for civil nuclear cooperation in Chattanooga, Tennessee last November. This year, it will be the turn of the Atomic Energy Council to organize the annual meeting, which is tentatively scheduled for October, 2007. It would be my great privilege to invite you to this event in Taiwan. I would also take this opportunity to familiarize you with first-hand information on our nuclear regulatory programs.

I have asked my colleague, Deputy Minister Chao-Yie Yang, to hand you this letter with my warmest regards during the JAIF meeting and I sincerely hope I will be able to reciprocate your hospitality when you visit Taiwan.

Please let us know if we could help you on the arrangement. Meanwhile, my best wishes for a fruitful conference in Japan.

Sincerely yours,

Min-Shen Ouyang  
Minister
