comments: This is a Freedom of Information Act Request for all Licensing Documentation (From License to Termination of License) for Atomics International, Rockwell International, Boeing North American, et al. for the aforementioned companies activities at the Santa Susana Field Laboratory, De Soto, Canoga Park, and Vanowen facility locations in Canoga Park, California. These facilities also participated in nuclear programs with the Atomic Energy Commission. Please include licensing documentation pertaining to the AEC as well, if it is within the NRC's capacity.

I prefer to receive these documents in electronic pdf format, if available. Otherwise a paper copy will suffice.

I am a student [redacted] Please execute this FOIA request per the statutes mentioned in FOIA providing for copies of documentation at no expense up to a certain amount.

I am willing to pay up to \$250.00 to receive the response to this FOIA request if it exceeds the limits of what is allotted for students. Please do not discriminate which documentation will be provided based upon the monetary funding available to pay for the response to this FOIA request as I may be able to pay more than the \$250.
