Dear Sir/Madam:

Following is a request to terminate NRC license 48-24598-01. We are now located in Agreement States, with offices in Texas, South Carolina and Wisconsin. Should we need to perform the services set forth in this service license in NRC controlled areas, we will obtain a reciprocity license. There is no disposal of radioactive materials in that this license doesn't authorize possession.

Please feel free to contact me if you have questions. 608-213-0113.

Sincerely,

Susan J. Engelhardt
President
