Manager of Power  
500A Chestnut Street Tower II

Gentlemen:

This refers to your letter of April 27, 1979 responding to the items of noncompliance concerning activities under NRC Construction Permit Nos. CPPR-91 and CPPR-92 brought to your attention in our letter of April 12, 1979 and to the subsequent telephone discussion held between M. McBurnett of your staff and P. K. VanDoorn of this office on May 14, 1979.

It is our understanding that you will provide a supplemental response, more accurately defining the number of additional records which were found to be in noncompliance and defining the corrective action to be taken to correct existing records, to this office by June 1, 1979.

Sincerely,

Charles E. Murphy, Chief,  
Reactor Construction and  
Engineering Support Branch
