

APPENDIX B

NOTICE OF DEVIATION

Tennessee Valley Authority  
Watts Bar

License No. CPPR-91

Based on the NRC inspection April 17-20, 1979, certain of your activities appear to deviate from your commitments to the Commission as indicated below.

The TVA letter to Region II dated April 6, 1979, committed to the issuance of revision 8 to Quality Control Procedure (QCP) 3.5 and to the training of site personnel in its use by April 16, 1979.

Contrary to the above, as of April 20, 1979, QCP-3.5 revision 8 had not been issued and, therefore, site personnel had not been trained in its use.
