The Honorable Barbara Mikulski  
United States Senate  
Washington, D.C. 20510

Dear Senator Mikulski:

On September 12, 2007, the U.S. Nuclear Regulatory Commission (NRC) awarded two contracts to companies in your state. These companies will provide technical assistance to the NRC in support of Design Certification, Early Site Permit, Combined License, environmental, and pre-application activities related to new reactor license applications.

Contract number NRC-42-07-036 was awarded to Information Systems Laboratories of Rockville, MD., in the amount of \$33,852,575.00 for a period of sixty months. Information Systems Laboratories will support activities related to the AP1000 Design Center.

Contract number NRC-42-07-482 was awarded to Energy Research, Inc., of Rockville, MD., in the amount of \$16,675,052.51 for a period of sixty months. Energy Research will support activities related to the Economic Simplified Boiling Water Reactor Design Center.

I will notify you of future NRC contract awards in your state. If you or your staff have any questions related to contract awards, please contact Sara Sahm of my staff at 301-415-1776.

Sincerely,

/RA/
