A. R. Herdt, Chief, Engineering Support Section #2, RC&ES Branch  
F. S. Cantrell, Chief, Project Section #2, RC&ES Branch  
J. D. Wilcox, Construction Resident Inspector, Bellefonte Nuclear Plant  
J. L. Coley, Reactor Inspector, RC&ES Branch

### MEETING DETAILS

On September 25, 1980, a management meeting was conducted at the TVA Corporate Offices, Knoxville, Tennessee. The following topics were discussed by Mr. Murphy:

1. Bellefonte's Response to noncompliances identified in NRC Inspection Report No. 50-438-439/80-12
2. Watts Bar's Response to noncompliances identified in NRC Inspection Report No. 50-390/80-19 and 50-391/ 80-13
3. Nondestructive Examination Training and TVA's Auditing of Certified Examiners
4. Organizational Differences at Construction Sites (QC/Engineering).

The items discussed above were acknowledged by TVA Management. With regard to the Bellefonte response the licensee committed to respond to NRC's items of concern as follows:

- (1) Items 50-438/80-12-01 and 50-439/80-12-01, the licensee will review their previous response.
- (2) Item 50-438/80-12-02, the licensee will revise their response.
- (3) Item 50-439/80-12-02, the licensee will revise their response.
- (4) Item 50-438/80-12-03, no addition response required.

With regard to the Watts Bar response, the licensee committed to revise their response to NRC item #50-390/80-19-01. The communication between TVA and NRC was good and the management meeting was judged beneficial to both groups.
