Dear Sir/Madam:

Please amend our license for the following:

 - c) 5 Franklin Avenue, Suite 503, Belleville, NJ
2. Diagnostic and Clinical Cardiology will transfer ownership of the 769 Northfield Avenue Suite 130, West Orange, NJ facility to Essex Cardiology Group on October 1, 2007. A new license application is attached listing Stephen Levy M.D. as the administrator.
3. We confirm that radioactive sources shall remain at the same physical location and there will be no changes in the current address, licensed areas of use, radiation safety program, or license conditions. Therefore, we do not intend to decommission this facility, but will remove the facility location from License # 29-30448-01 upon transfer of ownership.
4. The Radiation Safety Officer/Authorized User, will be Stephen Verdesca, M.D., already approved as RSO and Authorized User on Comprehensive Cardiovascular Consultants license # 29-30755-01
5. Please note that other cardiologists will interpret nuclear studies under the supervision of Dr. Verdesca.
