September 11, 2007

United States Nuclear Regulatory Commission
Region III
Nuclear Materials Licensing Branch
2443 Warrenville Road, Suite 210
Lisle, Illinois 60532-4352

Subject: **License Amendment**
License No. 21-00627-02/ Control Number: 316409

To Whom It May Concern:

As per requested from Toye Simmons' 9/7/2007 email, BASF's Wyandotte site management representatives have been made aware of the request to the NRC to amend our current license as follows:

- 1) Remove Mark McKinney as Radiation Safety Officer since he will no longer be able to perform these duties due to a change in position within the company.
- 2) Add Derek Hetes as the Radiation Safety Officer for the current license.

This letter acknowledges and approves the switch in RSO for the Wyandotte site. If you have any questions, please contact Adam Bickel at your earliest convenience. You can reach him at (734) 324-6209 or email him at adam.bickel@basf.com.

Sincerely,

Adam Bickel
Michigan/ Canada EHS manager
