Dear Mr. Lodhi:

Jeff Zell Consultants, Inc. requests the United States Nuclear Regulatory Commission (USNRC) grant an amendment to specific license number 37-28531-01. The only requested change at this time is the naming of Todd Mobley of Applied Health Physics, Inc. as Radiation Safety Officer. Mr. Mobley shall fill this position until such time that a qualified employee completes the required training course. A second amendment will be forwarded at that time.

Mr. Mobley shall have the support of Jeff Zell Consultants, Inc. management to oversee the program and given the resources necessary to ensure regulatory compliance. Any questions should be forwarded to this office.

Sincerely,
Jeff Zell Consultants, Inc.
