MICHAEL F. EASLEY  
GOVERNOR

September 7, 2007

Mr. Dennis Rathburn  
Director DILR  
US Nuclear Regulatory Commission  
Washington, DC 20555-0001

Dear Mr. Rathburn:

This letter is to inform your office that a new North Carolina State official has been designated to receive advance notification of transportation of certain shipments of nuclear waste and spent fuel through our State.

The new designee is First Sergeant Joe A. Cotton of the North Carolina State Highway Patrol. First Sergeant Cotton replaces Lt. Mark Dalton who retired from the State Highway Patrol effective September 1, 2007. First Sergeant Cotton can be reached at the following address during normal business hours:

4702 Mail Service Center  
Raleigh, NC 27699-4702

Phone: (919) 319-1523  
Fax: (919) 219-1534

Shipments occurring outside of normal business hours should be referred to the Troop C Communication Center here in Raleigh. That phone number is (919) 733-3861.

Please contact us if our office can be of further assistance.

With kindest regards, I remain

Very truly yours,

A handwritten signature in black ink that reads "Michael F. Easley".
