Subject: NFS & NRC Q&A c. 1980 TN Against Chem Haz archives

Kevin,

Thanks for visiting with us citizens concerned about NFS and for joining in tonight's circle discussion at Town Hall.

Attached please find a PDF document entitled "NFS Questions & Answers", a copy of which I had shown to Victor this afternoon. I had offered to email a copy to him, but I accidentally put his business card in the wash tonight together with my clothes. You are welcome to download a copy of this Q&A document because it will inform you of a time when the NRC provided the public with honest answers without condescension or by demeaning the public by calling them "allegers".

Please forward this email to Victor so that he'll have it and be able to replicate such a high-quality, written response to the questions asked this afternoon and evening in Erwin. I also request that this document be posted to ADAMS.
