

DEPARTMENT OF THE TREASURY

FINANCIAL MANAGEMENT SERVICE WASHINGTON, D.C. 20227

September 12, 2007

To:

Chief Financial Officers and Chief Credit Management Officials

From:

Rita Bratcher

Assistant Commissioner

Debt Management Services

Subject:

Combined Certification and Verification of Fiscal Year 2007 "Treasury

Report on Receivables and Debt Collection Activities"

The Treasury Report on Receivables and Debt Collection Activities (TROR) is the Federal Government's primary means for Federal agencies to provide comprehensive information on receivables and delinquent debts due from the public. **Debt**Management Services is requesting that the Departments/Agencies file a combined certification and verification form for the TROR to Treasury by Thursday,

November 15, 2007. We anticipate that this will facilitate the reconciliation of your TROR with your agency financial statements.

The Certification relates to the debt collection information presented in Part 2, Section B, "Debt Eligible for Referral to Treasury for Offset and Cross-Servicing" of the TROR. The Verification requirements are authorized under OMB Circular A-129, Managing Federal Credit Programs. The combined "TROR Certification/Verification Form", with instructions, is enclosed.

If an agency cannot certify and verify the accuracy of its receivables and debt collection information, the Chief Financial Officer or the agency head must provide an explanation, identifying the bureaus or divisions that are unable to validate this information. The instructions for this required Certification and Verification are enclosed. Your agency's submissions may be viewed on-line at http://fmsapps.treas.gov/apps/dmis. Please complete the enclosed Certification/Verification form. This form must be signed and returned by November 15, 2007. Please fax it to:

Verification

All 4th quarter (year-end) reports must be **verified** by the submitting Agency/Department's Chief Financial Officer (CFO) or equivalent.

Verification of the Receivables Report means that the report has been reconciled to the agency's Audited Financial Statements to the Federal Agencies Centralized Trial-Balance System (FACTS).

Only one verification at the Agency or Department level is to be submitted. The verification is to be submitted by the Agency/Department CFO or equivalent.

The verification should state that the information presented in Part I, Section A, Ending Balance line of the "Report on Receivables Due from the Public" was reviewed and is reconciled to the receivable balances in the agency's (a) Form and Content -Audited Financial Statements, i.e., the Balance Sheet and (b) FACTS. If the report is not reconciled to the Balance Sheet and FACTS, the verification should so state, with an explanation as to why verification is not possible. Agencies should also disclose the audit opinion of the Financial Statements or any issues regarding the pertinent accounts.

FMS acknowledges that there will be differences among the balances reported since the Receivables Report presents the gross book value of receivables as opposed to the net present value presented on the Audited Financial Statements and in FACTS. Agencies are requested to define these differences and disclose any discrepancies in a separate document to be returned with the signed Certification/Verification.

Note: Report accrued interest on this report the same as it is reported in FACTS and the financial statements, up to 180 days of delinquency. If interest is accrued on debts over 180 days delinquent and is included in FACTS submissions and on the audited financial statements, report it in the TROR with a footnote.

Include in the TROR all receivables for programs that are administered by the agency. Receivables are reported with the program that first generated the receivables unless there was a transfer by book entry to another entity.
