

A World of Solutions~

September 11, 2007

United States Nuclear Regulatory Commission Region III 2443 Warrenville Road, Suite 210 Lisle, Illinois 60532-4352

Gentlemen:

By this letter and the enclosed documents, Shaw Environmental, Inc. requests termination of radioactive materials license number 21-32282-01.

All gauges held under this license have been transferred to Oak Ridge, Tennessee under Shaw's Tennessee Agreement State License # R-73026-A17. The expiration date on this license is January 31, 2015. The gauges held under this license contained sealed sources only and at no time was any source determined to leak. Receipt of transfer and leak test records are enclosed

Hereafter, records for license number 21-32282-01 may be accessed through the Tennessee License Radiation Safety Officer, Stephen Crouch at (865) 560-5267. His address is:

Stephen Crouch, Scientist 3 Shaw Environmental, Inc. 304 Director's Drive Knoxville, TN 37923-4700

If you require any supplemental information, please contact Dennis Brown directly at (720) 272-9915.

Sincerely,

nichal Fitzgerald

Mike Fitzgerald Vice President, Operations Management Shaw Environmental, Inc.

Enclosures:
