Re: Radioactive Materials License # 37-31240-01

To whom it may concern:

At the time of our initial license application submission, the name of our facility was to be Westfield Medical Center. Since the initial license application was reviewed, the name has changed to Westfield Hospital. The name change was not the result of a change in ownership

The new name/address is:

Westfield Hospital
4815 Tilghman Street
Allentown, PA 18104

Additionally, we wish to inform the commission of a change in management. Harry Brockus has been named Chief Operating Officer. Please direct future correspondence to Mr. Brockus' attention.

We request that you amend our license to reflect this change.

If you have any questions, please contact Mark Liddington at 1-800-446-7622, extension #2.

Sincerely,

Harry Brockus
Chief Operating Officer
