Subject: Caribe Medical Plaza - Order Revoking License		
<p>Summary:</p> <p>Caribe Medical Plaza's license was revoked due to non payment of fees on 9/17/07.</p> <p>I called David Rhoe since he was recently involved as a consultant for Caribe Medical Plaza in an amendment request. I asked him if Caribe Medical Plaza possessed any licensed material. He stated that they did not.</p> <p>I explained that an Order Revoking Caribe's license had been issued. He was unaware of the revocation. He stated that last he heard, about two weeks ago, Caribe had submitted an amendment request to change ownership. I explained that the request had not been received and that in any event, since the license was revoked, it could not be amended (transferred).</p> <p>I gave him the contact person on the Order - Mona Williams (301)415-7389.</p> <p>I will contact H. Bermudez who is in PR this week. Bermudez was assigned to inspect Caribe and I will determine status of inspection.</p>
