Dear Mr. McKinley,

Pursuant to your request, this letter shall confirm that Temple University Health System (TUHS) was the sole member of what was named Temple Lower Bucks Hospital until June 28, 2002. At that time, a new affiliation agreement was entered into between the parties which ended the parent-subsidary relationship between TUHS and Lower Bucks Hospital (LBH). LBH received a license to continue its use of the Temple name and mark only through June 30, 2005.

Please feel free to contact either of us should you require anything further.
