I have not completed the briefing package since I was informed that the meeting was canceled. I will work on getting info together for Ellis.

Chris,

The green ticket (G20050019) was cancelled last week by Cathy Jaeger of OEDO. I was told that an e-mail was sent to TJ Gorham, notifying her/NRR of this cancellation.

With respect to Caldon's meeting with Ellis, it turns out that Ellis decided to meet with Caldon, after all. He requests that Greg Cwalina be present at the meeting. He also would like a copy of the briefing package the staff had prepared for Cmr. McGaffigan.

Ellis' meeting with Caldon is scheduled for 1pm on Wednesday.
