Mr. Antony stated, yes they discovered that and have sent it a letter last week for the attestation. Also, Dr. Pung doesn't appear to be qualified as the radiation safety officer. Those qualifying as an RSO though the AU qualification method must be on the license as an AU first. Since this is a new license it is not possible unless he qualified through one of the other methods or was a qualified RSO before. No, he is not. We will provide another candidate that is qualified.
