James  
More background info on measurement uncertainty recapture for power uprates as discussed in Inside the NRC:

click the below link  
<http://www.internal.nrc.gov/IRM/LIBRARY/ejournal/pdf/in/in051212.pdf>

and see page one article titled:

**Caldon buoyed by Seabrook review, new orders...**

which discusses some of the recent issues with exceeding 100% power, etc.

Just an FYI,

Mark
