Re: Revised Submission Date of TR and ER for Lost Creek
Docket No. 40-9068
TAC No. LU0142

Dear Mr. Cohen,

Please be advised that Lost Creek ISR, LLC is revising its originally planned submittal date for the Lost Creek Technical and Environmental Reports of the license application to late October – early November 2007. We hope this small delay does not inconvenience the NRC staff.

Please feel free to contact me at the above telephone number if you have any questions.

Regards,
