Dr. Dale E. Klein Chairman U.S. Nuclear Regulatory Commission Washington, D.C. 20555 U.S.A.

Dear Chairman Klein:

I was deeply saddened to learn about the passing away of Mr. Edward McGaffigan Jr., the longest serving member of the U.S. Nuclear Regulatory Commission.

While I did not have a chance to get to know Mr. McGaffigan in person, many of my AEC colleagues had the privilege of meeting him while visiting NRC, and they have been able to recount all the warmth and hospitality he had brought them. Having read the various articles about Mr. McGaffigan, I truly believe he is not only a role model for nuclear regulators, but all civil servants who choose to serve the public as a life-time career. His remarkable contributions to the nuclear regulatory community will be long commemorated, not only in the US but globally.

On behalf of AEC, I would like to convey our very truthful respects for Commissioner McGaffigan on this occasion. Please forward to his family our condolences from the Council.
