Reference: License # 09-30889-01 Termination Request

Gentlemen,

Please move to terminate the Materials License issued to Instrument Control Solutions, Inc. (ICS) effective immediately.

The license # 09-30889-01 is no longer needed by ICS due to a change in our service offerings and the fact that any new contracts will not have any nuclear materials content.

We thank you for your prompt attention to this request.

Sincerely,

Richard McConnell
