Dear Regulator,

As a resident of Verplanck (next door community to Indian Point), and an employee of Entergy, I can tell you that Indian Point is a great neighbor.

Benefits to my community:

- Clean, quiet facility
- Jobs for local citizens
- Reduced taxes
- Local generation of electricity so Con Ed bill is less than it would be otherwise
- Minimal traffic impact
- Facility looks nice from the river and from across the river (please spare us cooling towers!)

Thanks for listening.
