John,
I have Jerry Collins of the NYSDOH coming in on Tuesday (5/8), but I am still looking for someone to observe split sampling on Thursday (5/10).

John & Brian,
GZA is in the process of purging MW-60 today (Monday 05/07) and will be ready to capture samples tomorrow (Tuesday 05/08). Will someone be available for observing the split samples?

Thanks,

Patrick Donahue
