DAILY STAFF NOTES

**REGION I**

July 19, 2007

- On July 16, Entergy and International Brotherhood of Electrical Workers Local 300 entered formal contract negotiations for Vermont Yankee. The contract covers Operations, Maintenance and Radiation Protection personnel. Region I has begun preparation ahead of the contract expiration date of August 19. Region I preparations include reviewing the licensee's strike contingency plan, following the progress of negotiations, and preparing an NRC watchbill if developments indicate a job action may occur.
