Dear Ms. Weidner,

Please find the additional information you requested regarding our recent license amendment to add Courtney Lewis-Bui, MD to our list of authorized users.

If you have any questions, please contact our consultant medical physicist Mark Liddington at 1-800-446-7622 ext. 2.

Sincerely,

Lisa Dutterer
Associate Vice President, Administration
St. Luke's Hospital and Health Network

DATE: October 9, 2007

To whom it may concern:

This letter is to confirm that Courtney Lewis-Bui, M.D. has attended educational sessions about our Nucletron, Microselection High Dose Rate remote afterloader system, and Varian, VariSource 200 High Dose Rate remote afterloader system. I spoke with her about quality control procedures, protocols and emergency procedures.

I am an authorized medical physicist on NRC license # 37-08939-01 (St. Luke's Hospital).

Date of Nucletron, Microselection High Dose Rate remote afterloader Training:

October 5, 2007

Date of Varian VariSource 200 High Dose Rate remote afterloader Training:

October 8, 2007

Sincerely,

A handwritten signature in black ink, appearing to read "Tianyou Xue".

Tianyou Xue, Ph.D.
