Re: Amendment to Company Name for License Application, Control Number 316521

Dear Toye,

Per our phone conversation on October 12, 2007, I would like to take this opportunity to inform you of our company's new, legal name which was just unveiled this week.

I'm writing because you are in receipt of our license application which does not have the new company name (it's close but not correct).

Our mail control number is **316521** and the correct company name on our license should be: **ArcelorMittal Burns Harbor LLC.**

Please make the necessary corrections as you review our application.

Thank you,
Sincerely,

Chris Sarvanidis
