Beth & Jamie - I informed Dave Lew & Ray Powell after we talked. I will do a daily in the morning. If you can get any more details - such as why the union rejected the offer - it will be helpful. I will also be updating the watchbill first thing in the morning. Check with Gil to see if he is available for night shift starting Saturday, I will check with his BC (Marvin).

Thanks for the timely update.
Barry

Ray,

VY management just informed the residents that the IBEW has given their 72 hour strike notification, effective 3:30 pm today. This means, worst case, that the strike would begin on Saturday, 8/25 at 3:30 pm. VY plans to continue with implementation of their management alternative plan (strike contingency plan) in regards to job shadowing, etc. Contract negotiations will continue tomorrow, 8/23.

Regardless of contract negotiation progress, VY plans to continue their actions with regard to investigation and repair of cooling tower 2-4. Most, if not all, of the personnel involved are non-union personnel.

Please give me a call if you have any questions.
Beth
