Summary: I spoke with the receptionist who indicated that James Zelch, M.D., was no longer the Medical Director and had left the company. Also the physicians group had left and the company had been sold. 11:30 Mr. Miller and Ms. Pistininzi called me back to provide information about the buy-out. Jefferson Hospital and Dr. Zelch had a partnership and Jefferson Hospital bought out Dr. Zelch's share. This occurred one week ago. At the same time, Michael Paley, M.D. and Allison P. Pryce, D.O. left the practice. The licensee still has two authorized users and an active RSO. I asked the licensee to provide the information required by NUREG-1556, Vol. 15, regarding a change-or-ownership be submitted to the NRC.
