Louisiana Energy Services, L.P.
National Enrichment Facility
NRC Docket No. 70-3103

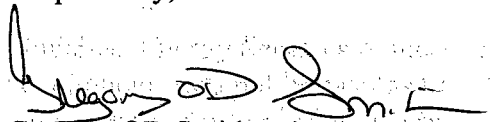

Subject: Quality Assurance Program Description Update

In accordance with Section 19 of the National Enrichment Facility's Quality Assurance Program Description, Louisiana Energy Services is submitting an update to the Quality Assurance Program Description. There are no new commitments contained in this letter.

Louisiana Energy Services requests that the information contained in the enclosures to this letter be withheld from public disclosure pursuant to 10 CFR 2.390. An affidavit requesting the withholding of information is provided in Enclosure 1 as required by 10 CFR 2.390. A copy of the annotated pages of the Quality Assurance Program Description that were affected is included as Enclosure 2. A complete copy of the Quality Assurance Program Description is included as Enclosure 3.

If you have any questions, please direct them to Stephen Cowne, Licensing Manager, at 505.394.4646.

Respectfully,

Gregory OD Smith
Chief Operating Officer and Chief Nuclear Officer

ENCLOSURE 1

AFFIDAVIT

I, Gregory OD Smith, Chief Operating Officer and Chief Nuclear Officer at National Enrichment Facility, make the following representations that to the best of my knowledge and beliefs:

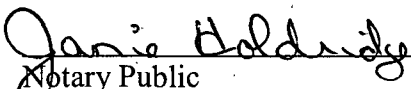

1. The National Enrichment Facility wishes to have withheld from public disclosure, the annotated pages of the Quality Assurance Program Description attached as Enclosure 2 to Letter NEF-07-00191-NRC as well as the complete copy of the Quality Assurance Program Description attached as Enclosure 3 to Letter NRF-07-00191-NRC.
2. This information is requested to be withheld from public disclosure as allowed by 10 CFR 2.390 based on the proprietary information related to commercial aspects of the National Enrichment Facility that is contained in the Quality Assurance Program Description
3. Public disclosure of the information in the letter has the potential to result in substantial harm to the competitive position of Louisiana Energy Services and reduce or foreclose the availability of profit opportunities.

Gregory OD Smith Date
Chief Operating Officer and Chief Nuclear Officer
National Enrichment Facility

10/23/07

I certify the above named person appeared before me and executed this document on this
23rd day of October, 2007.
