CNRO-2007-00036

Dear Sir or Madam:

Reference 1 provided the schedule for submitting license renewal applications for Entergy's nuclear power plants. In References 2, 3, and 4, Entergy provided updated information on proposed license renewal application submittal schedules.

Based on evolving business conditions, this letter revises the previous information on Entergy's plans for future license renewal application submittals as follows.

1. January 2010 Grand Gulf Nuclear Station
2. January 2011 River Bend Station – Unit 1
3. August 2011 Waterford 3

Entergy's plans for future submittal of license renewal applications are subject to re-evaluation and further updating as business conditions evolve. If changes in Entergy's plans occur, we will notify the NRC.

This letter contains no commitments.

If you have any questions or require additional information, please contact Mr. Garry G. Young at 479-858-4303.

Sincerely,

A handwritten signature in black ink, appearing to be "GGY", with a stylized flourish at the end.
